Mr Bradley R McGregor
McGregor Surveys
PO Box 4042
Mosman Park, WA 6012

Dear Sir

I am pleased to advise that the Minister for Mines and Petroleum has approved of Mr Bradley R McGregor to carry out authorised surveys for the Department of Mines and Petroleum on 16 September 2015.

Your attention is drawn to the document entitled "Provisions and Regulations of the Mining Act and Directions relating to the Surveying of Mining Tenements", located on the Internet on our DMP web site.

This document states the appropriate Sections and Regulations of the *Mining Act 1978* affecting surveys, and relating to the requirements of "marking out" and "surveying" of mining tenements.

It also provides directions and guidance for Surveyors approved by the Department of Mines and Petroleum (including examples) for performing "limited marking contract surveys" under the *Mining Act 1978*.
